

# FARES

RÉSEAU ÉLECTRIQUE  
MÉTROPOLITAIN

August/September 2016

# Objectives

- Integrate into the new fare structure that will be developed by the Autorité régionale de transport métropolitain (ARTM)
- Propose a single fare, integrated within and comparable to the other networks
- Allow the client to use a single ticket for his transit pass (card or other)

# ARTM mandate

## Currently

**700** fares

in the greater metropolitan region

## Next few years (2017-...)

**Creation of the ARTM:**  
integration and simplification  
of transit tickets

# Determination of the fare by the ARTM
